(d) Interview with Johnson of AFOIN and Christopher of ONI  
to find out the pitch in general on their psychological warfare intelli-  
gence problems. Such questions as:

(1) Is there a psychological warfare intelligence unit  
in AFOIN or ONI?

(2) What kinds of requirements have been submitted to  
those intelligence organizations? From whom? Were they  
answerable? To what extent did they go to other agencies,  
such as State, for material? How useful were specific  
State materials (e.g., Soviet Affairs Notes, etc. but be  
specific)? Get copies of the pertinent products produced by  
ONI and AFOIN. Leave a copy of the USIA needs for their  
comments on a return visit shortly thereafter. At this time,  
don't ask for transmittal of a formal reaction.
